Request That Application Not Be Published Pursuant To 35 U.S.C. 122(b)(2)

19. ☐ Pursuant to 35 U.S.C. 122(b)(2), Applicant hereby requests that this patent application not be published pursuant to 35 U.S.C. 122(b)(1). Applicant hereby certifies that the invention disclosed in this application has not and will not be the subject of an application filed in another country, or under a multilateral international agreement, that requires publication of applications 18 months after filing of the application.

Warning

An applicant who makes a request not to publish, but who subsequently files in a foreign country or under a multilateral international agreement specified in 35 U.S.C. 122(b)(2)(B)(i), must notify the Director of such filing not later than 45 days after the date of the filing of such foreign or international application. A failure of the applicant to provide such notice within the prescribed period shall result in the application being regarded as abandoned, unless it is shown to the satisfaction of the Director that the delay in submitting the notice was unintentional.

DECLARATION OF HOWARD M. PETERS

Sir:

I, Howard M. Peters, declare that:

1. I am licensed to practice in the U.S. as a patent attorney (Reg. No. 29,202).
2. I am the attorney of record in the instant patent application.
3. Our firm has used Harbor Consulting and Mr. James Coburn for over 5 years to prepare computer readable sequence data on disk.
4. Enclosed please find:
 1. the computer disk, and

2. the statement by Mr. James Coburn.

This submission is in response to the requirement for a disk with computer readable text. To the best of my information the sequences on the disk and the attached sheets are correct and not beyond the scope of the application.

Please consider this a conditional petition for extension of time, if needed.

If additional fees are required for filing these documents, the Commissioner is hereby authorized to charge or credit any overpayment to Deposit Account No. 16-1331.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
